### Review:

The day's fixture programme resulted in the University of Worcester winning the FA National Blind Football League. Their unbeaten display consisting of two victories and one draw was enough to finish top of the league. WBA consolidated their position of runners up with two draws.

Middlesex and Home Counties finished in third place after entering the league for the first time this season. RNC ascended to fourth position in the league with two convincing victories and with new signing Darren Cook scoring five well taken goals. Everton failed to field a team for the day and all opposing teams automatically received three points for the scheduled fixture.
